Cougar Communication Pals

It takes two...

Ages 2 years – 14 years

Cougar Communication Pals (CCPals) offer speech and language therapy through telepractice for preschool and school aged children. Opportunities to connect with other pals during literacy, cooking, and science activities are provided. Our program focuses on providing evidence-based therapy while acting as a training program for graduate clinicians in speech-language pathology. All sessions are supervised 100% by certified and licensed speech-language pathologists.

Please call **713-743-0915** for details.

CCPals target the following:

speech sounds (articulation)
language development (late talkers)
social skills
fluency (stuttering)
voice
autism

Benefits of CCPals:

Small Ratios of 1:1 (client to clinician)
One hour sessions include literacy, science/cooking, & games
Opportunity to connect with a pal during therapy
Siblings and caregivers encouraged to join
Caregiver/parent coaching regarding communication strategies
Home Programs to carry over therapy progress
Choose the number of sessions based on need/preference
