Service to Our Country**

MARCH 11-APRIL 5 2013
UNIVERSITY OF HOUSTON ALUMNI CENTER

Patriots & Peacemakers highlights three specific areas of service: the U.S. Armed Forces, diplomatic service and the Peace Corps. Personal narratives highlight Arab American men and women of different national and religious backgrounds. The exhibition, created by the Arab American National Museum in Dearborn, Michigan, also encourages visitors to consider how commitment to service impacts them in their daily lives.
