## The Interdisciplinary Graduate Certificate in Women's Studies

WGSS / University of Houston

The Graduate Certificate in Women's Studies is a nine (9) credit interdisciplinary concentration open to students in all UH graduate and professional degree programs. The Graduate Certificate in Women's Studies adds interdisciplinary breadth to a student's course of study while increasing the depth and coherence of students' work on women and gender within their primary fields. Given the growing importance of women and gender issues in both scholarship and social policy, many students find this formal recognition of their work in Women's Studies to be a valuable credential in both academic and non-academic job markets. Students who have earned or are pursuing the Graduate Certificate also receive first consideration for Women's, Gender, & Sexuality Studies graduate fellowships and assistantships.

## REQUIREMENTS

Three (3) Women's Studies graduate courses (9 credit hours) including:

- WGSS 6301: Feminist Theory & Methodology, the required core course
- Two (2) cross-listed courses, at least one of which must be from <u>outside</u> the student's home department

Students may substitute for one of the cross-listed courses one of the following options:

- Taking a graduate course that is not cross-listed but in which they can focus their
  individual work (e.g. research paper and extra reading) on women, gender, or feminist
  theory. Such a course must be taught by an affiliated Women's Studies faculty member
  who will certify that the student's work in the course satisfies women's studies
  requirements.
- Taking an undergraduate course cross-listed in Women's Studies for graduate credit. Additional requirements will be determined by the instructor in accordance with university policy.

## **COURSES**
