Guest Speaker

Tom Herman was named Head Football Coach at the University of Houston on December 16, 2014 just one week after being named the 2014 Frank Broyles Award winner presented to the nation's top assistant football coach.

Herman has helped develop record-setting and explosive offenses in each of his 10 seasons as an offensive coordinator, including his three seasons in the position of OC/quarterbacks coach at Ohio State University where he helped the Buckeyes win the 2015 College Football Championship with College Football Playoff wins over Alabama and Oregon, and the 2014 Big Ten Football Championship with a 59-0 win over Wisconsin.

Herman, who was named the 2013 Rivals.com Big Ten Recruiter of the Year and national Top 25 recruiter, arrived in Columbus after spending three years as the offensive coordinator and quarterbacks coach at Iowa State University.

Herman is no stranger to the state of Texas and to Houston. Herman spent 2007 and 2008 as offensive coordinator at Rice University before heading to Iowa State. During his two seasons with the Owls, his offenses broke over 40 school records and in his second season the Owls won 10 games and went to a bowl for the first time since 1954. Rice ranked in the Top 10 nationally in 2008 in passing offense, scoring offense, and total offense. Two Rice receivers had more than 1,300 yards receiving that year. Rice tight end and former Houston Texans James Casey, had 111 catches and quarterback Chase Clement was the Conference USA MVP.

Prior to Rice, Herman directed offensive attacks for two years (2005-06) at Texas State, where Bobcat squads led the Southland Conference in total offense. The 2005 Texas State club was eighth nationally in scoring and made a run to the FCS semifinals in the school's first-ever appearance in the Division 1-AA playoffs. Herman also worked four years as an assistant coach at Sam Houston State, helping them to a pair of conference titles and trips to the FCS semifinals and quarterfinals.

Herman received Big 12 experience at Texas (1999-2000) serving as a graduate assistant with the offensive line on the Longhorns' Cotton and Holiday Bowl teams after receiving his coaching start in 1998 as a wide receivers coach at Texas Lutheran.

Herman was born in Cincinnati and still has family there. He was raised in Simi Valley, Calif., and he played collegiately at California Lutheran, in Thousand Oaks, graduating in 1997 with a degree in business administration. He received a master's in education from the University of Texas in 2000.

Herman and his wife, Michelle, have a daughter, Priya, and two sons, Maddock and Maverick.

Conrad N. Hilton College of Hotel and Restaurant Management

Letter from the Dean

Dear Graduates,

Today marks a major milestone in your lives—the day you officially transition from students to alumni. You’ve accomplished so much in your time at the Conrad N. Hilton College, and now you’ll build upon those experiences as you launch your careers.

Several factors have contributed to your success at the University of Houston: the support of your families and friends; encouragement from faculty and staff; and—most importantly—your own determination to learn, grow and accomplish your goals.

You’re now part of a global network of more than 7,000 Hilton College graduates, and the friendships you’ve made as students will serve as the foundation for great professional relationships in the coming years. Wherever your journey takes you, I encourage you to stay connected to your College. This is one of the finest hospitality programs in the world, but we need your support to continue to build upon that legacy.

The Spring Class of 2015 is among the best the College has ever produced and I know you’ll continue to serve as outstanding ambassadors for our program in all of your professional endeavors. On behalf of the entire Hilton College family, I offer my sincere congratulations to all of you.

Best wishes ... and Go Coogs!

A handwritten signature in black ink, appearing to read "John Bowen". The signature is fluid and cursive, with a long horizontal line extending to the right.

John Bowen, Ph.D., CHE
*Dean of the College &
Barron Hilton Distinguished Chair*

Conrad N. Hilton College of Hotel and Restaurant Management

If you're interested in a career in hospitality, the Conrad N. Hilton College of Hotel and Restaurant Management at the University of Houston is the place for you. Our graduates shine in all sectors of this booming global industry—lodging, restaurants, food & beverage management, casinos and gaming, events, spa management, sales, marketing and more.

A small college at a major university in the nation's fourth-largest city, Hilton College offers students a real sense of community. Whether they're pursuing a Bachelor of Science in Hotel and Restaurant Management, a Master of Science in Hospitality Management or a Ph.D. in Hospitality Administration, our students benefit from world-class facilities—including our upscale teaching hotel, the Hilton University of Houston; our new, state-of-the-art wine-tasting lab; our student-run restaurant, Barron's; and Cougar Grounds, our student-managed coffee shop—and from the skilled instruction of our experienced, award-winning faculty.

Consistently ranked among the top hospitality programs in the world, Hilton College emphasizes experiential learning in addition to more traditional, lecture-style teaching methods. This philosophy ensures our students gain practical, hands-on, real-world hospitality experience while they're pursuing their degrees, so when they graduate, they're well on their way to finding the job of their dreams.

We are known for producing quality hospitality professionals who make an immediate impact on the industry, so our students are highly sought-after by recruiters from across the globe. In fact, more than 80 percent of Hilton College students already have jobs lined up when they graduate!

THE HONORS COLLEGE

The Honors College at the University of Houston offers students special opportunities to develop their academic abilities. Below are the Honors College honors designations.

University Honors with Honors in Major

Students who complete the Honors College curriculum (36 hours) and complete a senior honors thesis.

University Honors

Students who complete the Honors College curriculum and elect not to complete a senior honors thesis.

Collegiate Honors and Collegiate Honors with Honors in Major

Students who fulfill the requirements for the honors program in the college of their major, including 21 hours of honors courses; who complete an Honors College minor, or who complete 21 hours of approved honors courses. If students also complete a senior honors thesis, they graduate with Collegiate Honors with Honors in Major.

Membership in The Honors College and Membership in The Honors College with Honors in Major

Students who affiliate with the Honors College during their undergraduates years and complete fewer than 21 hours of honors courses. If students also complete a senior honors thesis and fulfill the requirements of their major with distinction, they graduate with Membership in The Honors College with Honors in Major.

Honors in Major

Students who complete a senior honors thesis but are not members of the Honors College.

University Honors

Niraj Bhavsar
Kadie Fields
Eugenia Gonzalez
Clara Snelson
Ashlyn Templeton

Membership in The Honors College

Elizabeth Russell

**Conrad N. Hilton College of Hotel
and Restaurant Management**
SPECIAL ACKNOWLEDGEMENTS

Many thanks to our volunteers for their help in making this event a success..

Dawn Wolf-Taylor

Letter from the Dean

Dear Graduates,

Graduation marks a milestone in your educational career. On behalf of our faculty and staff, I want to congratulate you on this significant achievement. As Dean of the College of Education, I am proud of your academic success and look forward to seeing your impact on our communities – through teaching, leadership, health promotion, counseling and research.

As an alumni and donor, I want to encourage you to participate with the College of Education Alumni Association and to stay connected to the College. There are multiple ways to give back, including specific designations to College of Education scholarships and programs. Learn more at www.coe.uh.edu.

Thank you for choosing the College of Education and for your desire to change the world. Our best wishes are with you as you continue your career aspirations. You are the pride.

Go Coogs!

Bob

Robert H. McPherson, Ph.D.
Dean & Professor, Elizabeth D. Rockwell Chair

College of Education

The University of Houston's College of Education prepares graduates to change the world - through teaching, leadership, health promotion, counseling and research. Currently, over 2,600 students are pursuing more than 30 undergraduate and graduate academic programs, both on campus and online.

Our programs exceed national standards for excellence, including accreditation by the National Council of Accreditation of Teacher Education (NCATE) and the American Psychological Association (APA). Our graduate program is ranked in the top 110 and our online programs are ranked #1 in the nation by the US News and World Report. The National Council on Teacher Quality (NCTQ) Teacher Prep Review ranked two of our teacher prep programs in the top 5 nationwide.

Our Tier One faculty are world-renowned scholars with real-world experience in our communities. In addition to innovative, federally funded research projects, we have more American Education Research Association (AERA) fellows than any other Texas university.

Our alumni have deep ties in the community and continue to make an impact felt well beyond graduation. Not only have alumni been named local, state, and national teachers of the year, many of our graduates rise to leadership roles across the world.

Letter from the Dean

Dear Graduate:

I would like to personally congratulate you on your graduation from the University of Houston College of Technology. With the conclusion of today's proceedings you will have attained a major personal goal. I have no doubt that whatever new goals you set for yourself will also be met with enthusiasm and self-assurance.

The College of Technology considers itself fortunate to have been associated with students such as yourself and we hope that you will continue to be part of our team through our Alumni Association. Not only do we need you as an alumnus for continued quality growth and development, but through this association you can use the College as a source of strength, encouragement, and growth.

Please remember that we will always be your College and it is our pleasure to be here to serve you and our community in any way we can.

Congratulations again and may your achievements in life be many and fulfilling.

Sincerely,

A handwritten signature in black ink, appearing to read "William E. Fitzgibbon, III". The signature is fluid and cursive, with a distinct "W" and "F".

William E. Fitzgibbon, III
Dean

College of Technology

The College of Technology began in 1941 when local firms contributed funds for the third permanent building on campus for the new School of Technology. The first technical institute programs to be initiated by the new college in 1945 were also the first engineering technology programs in the state of Texas, accredited by the Engineers Council for Professional Development. By 1962, the College of Technology offered 16 programs-9 vocational and 7 engineering technology programs. By 1968, the college was granting a Bachelor of Science in Technology degree.

Throughout the decades, the School of Technology grew to meet the ever-changing disciplines associated with technology and the growing diversity of the student body. Today the college is comprised of four different departments and a wide range of disciplines.

The Construction Management department offers both an undergraduate and graduate degree in the field of Construction Management. The Engineering Technology department has carried forth the engineering technology programs that were the hallmark of the college's early years, and now covers the areas of biotechnology, computer engineering technology, electrical power engineering technology, and mechanical engineering technology. The Human Development and Consumer Sciences department covers the areas of retailing and consumer science, and human resources development, and the Information and Logistics Technology department covers information systems technology and security, digital media, supply chain and logistics technology, technology leadership and project management.

The College of Technology remains in the forefront of technology education, research, offering programs that meet the needs of a dynamic marketplace that demands competent, well-trained technologists.
