14. What have you liked most about this course and why?

Prof. Lazer was really helpful and receptive to questions.

15. What have you liked least about this course and why?

This has been w/o a doubt one of the most challenging classes I've taken so far. I enjoyed the challenged but definitely did not like the feeling of making poor grades even after studying for many hours.

16. Other comments and suggestions.

After taking this class I realize that I will never be an accountant.
