III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

I like having Powerpoint copies and how roll is not taken. Regular quizzes is smart, and the idea of doing a paper is a good break from monotony. The curve is a perfect idea for balancing things out - thank you.

15. What have you liked least about this course and why?

I didn't feel like I learned well in class, and I had a hard time remembering everything and understanding the concepts. I also felt like the paper was confusing. I did not understand the guidelines.

16. Other comments and suggestions.

The only thing I can think of to improve this class is better organization. I had trouble knowing which chapters to study and when, and I have to plan ahead because I work a lot. Oh, and breaks should be in 15-minute class - but a 15 min. 15 minutes.
