III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

This class is wonderful! I like how Dr. Neal works through the proofs. It makes it easier for me to remember. His choice of certain problems promote deeper mathematical thinking.

15. What have you liked least about this course and why?

Complaints of other student, and slow pace of the other students. Homework/pasts are a bit repetitive.

16. Other comments and suggestions.

People who took Calc. BC and want a quick review should take this class

14. What have you liked most about this course and why?

I liked working problems in class in the quizzes and lecture.

15. What have you liked least about this course and why?

I find the presentation of proofs for everything a bit tedious. It would be nice to have a better mixture of application and proof.

16. Other comments and suggestions.

I think it would be helpful if an instructor assigned a lot more easier or routine problems as well as the harder problems.
