The expertise of the teachers is an essential part of this course, and I am glad there are supplementary events available (like the Lombardo reading and the talk about Raymond Carver).

The course seems to be too much of a survey → there is not as much depth to the material as there could be.

16. Other comments and suggestions.

Don't be afraid to put people on the spot → it keeps them thinking! Fear is a good motivator to learn! :)

The Reading Material. This class has given me the opportunity to discover texts I wouldn't have read on my own.

15. What have you liked least about this course and why?

The tightness of the Discussion sections. I felt like I was listening to many monologues instead of a Dialogue.

16. Other comments and suggestions.

For the Discussion teacher to support and encourage Dialogues. There is so much we could get from these texts if we could be open to Discussion.
