## III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

I have enjoyed our third book simply because of its appearance of being pro-markets. It also gives a better understanding of the ideas and events after the founding.

15. What have you liked least about this course and why?

Numerous things:  
 1) The reading almost never correlates w/ discussion.  
 2) Teacher is extremely prone to be disrespectful if he feels students have not read. ← important to note

16. Other comments and suggestions.

1) Face the class well.  
 2) Don't ask questions you have the answer to. It is not a discussion if we are guessing out of your words (or a synonym to it).

The discussion because they are more like lectures and then professor gets mad because students aren't talking.

16. Other comments and suggestions.

Teacher can be rude to students and intimidating → does not show he cares about students. Teacher takes out his bad mood on students.

14. What have you liked most about this course and why?

*My fellow students... we bond together in an... lack of reading; Morello's willingness to talk about material after class;*

15. What have you liked least about this course and why?

*Discussion: Morello lectures a bit much and then gets angry when we don't talk: if thought this was a discussion class? His mood swings, happy one second and pissed the next. The way he looks like students to answering P's his way.*

16. Other comments and suggestions.

*Get better books; don't assume student's think what you do, or want to. The way you do "fill in the blank" discussion P's... there is not only one right answer.*
