III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

The discussions were interesting. It was nice to hear other people's opinions. Debates were also good.

15. What have you liked least about this course and why?

Most of what I learned was what I learned in high school. It's not the teacher's fault. I probably should have studied more for the AP test. The college course is perfect though. It's only repetitive for some.

16. Other comments and suggestions.

Continue the discussions on daily news. Those are really interesting. Debates are also good.

The textbook was good but I prefer a more professional, formal style textbook rather than the loose, common style of the writer.
