III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

I like the discussions we have in class the most. A lot of times I would be confused on a theme in one of our books but listening to our discussions illuminates and clarifies many hidden things in our novels.

15. What have you liked least about this course and why?

Sometimes I found the strict structuring of the assigned papers to be restricting. Obviously I follow the basic structure (intro, paragraphs, conclusion) but the required 10 sentences were odd, especially in an honors college course.

16. Other comments and suggestions.

I thoroughly enjoyed this discussion class and Ferguson was a great discussion leader!

14. What have you liked most about this course and why?

Human Situation was a course that helped me grow mentally and spiritually. My frontal lobes have definitely developed!

15. What have you liked least about this course and why?

The grading is not necessarily fair. A person receiving an A is hard to find but the majority of people secure a B, no matter how different the intelligence/commitment level of a top B student + the bottom B student.

16. Other comments and suggestions.

Essentially, an overachieving student who does all their work will still probably only secure a B, while a less-achieving student would secure that same B.
