UNIVERSITY of **HOUSTON** | COMPUTER SCIENCE

COMPUTER SCIENCE – MINI TALKS
FACULTY PRESENTATIONS AND PANEL DISCUSSION
FRIDAY, SEPTEMBER 16, 2016
FROM 10:00 AM TO 2:30PM IN PGH ROOM 563

Please come join us for the Fall 2016 Computer Science Faculty Mini Talks. At this event you will learn about current research in the department of Computer Science through faculty presentations and panel discussions.

All new graduate students are expected to attend. If you are a new PhD student who has not chosen your PhD advisor yet or a new MS thesis student who has not chosen a MS thesis advisor yet, this would be the perfect time for you to quickly understand various interesting research areas/projects of ALL the faculty members in our department, and this would help you make a better decision.

If you are a returning student come to hear the latest research developments in our department.

We encourage graduate student participation in mini talks.
Lunch will be provided to all who attend.
