POLICY TITLE: SIMULATION CENTER EMERGENCY PREPAREDNESS

Security and Emergencies

The doors of the Simulation Centers will be locked at all times unless in use by the trained Clinical Learning Team (CLT), facilitators and students. The UH Security department should be notified if the Simulation Centers will be used after office/campus hours.

Faculty and students will be oriented to the location of emergency exits in all Simulation Centers.

All users of the Simulation Centers will follow the guidelines found in the UH [General Laboratory Safety Manual](#).

All users will follow the UH [Building Emergency Response Plan](#) in case of fire or other emergencies.

All users will adhere to the [Emergency Management Plan](#) as outlined by the UH Office of Emergency Management in case of a weather emergency.
