

F-1 Graduate Student Curricular Practical Training (CPT) Application

Description	Curricular Practical Training (CPT) allows eligible and authorized F-1 students to participate in practical training that is an “integral part of an established curriculum.”
4 Types of CPT for Graduate Students	<p>Option 1: Required for the academic curriculum for all students in the program. The student will not receive course credit. In order to be eligible, student must have the “Experience Track” sub plan in the system.</p> <p>Option 2: Required practicum or internship course taken for course credit.</p> <p>Option 3: Not required by the academic curriculum, but the student is registered in a credited course which requires CPT to complete the course.</p> <p>Option 4: Required research for thesis/dissertation (i.e. essential to completion of thesis or dissertation).</p>
Eligibility	Students must have been lawfully enrolled on a full-time basis at a DHS approved school for one full academic year before being eligible for CPT (i.e. fall and spring semesters). Students entering the U.S. under a new SEVIS ID# must wait to complete one full academic year as a full-time student before they are eligible to apply for CPT. An exception exists for graduate students whose programs require immediate participation in CPT. It is only available for F-1 students who are in status and before completion of all degree requirements. Once your degree is completed, all CPT must cease. ISSS will verify your eligibility after you submit your CPT application.
Location	Students may only engage in CPT for the specific employer and location recorded on p. 2 of the I-20.
Duration	You may only work for the specific time period noted on p. 2 of your I-20. Time frames are usually granted for one semester at a time. To qualify for summer COOP, you must be a continuing student and show proof of registration for fall or summer. If you have been granted fall CPT and wish to work through the Winter Break, request ISSS approval after registering for spring classes.
Hours per Week	CPT can be approved for full-time (e.g. more than 20 hours a week) only during the summer and during your final semester if you are authorized for a reduced course load or for full-time equivalency for SEVIS reporting. You cannot be simultaneously registered for full-time hours and full-time CPT. Part-time CPT (e.g. 20 hours or less per week) may be approved during the fall and spring semesters, but you must be enrolled as a full-time student.
Offer of Employment	You must obtain a job offer letter that specifies job title, responsibilities, # of hours per week and job location on company letterhead. The letter should state the start date and ending date if the ending date is known.
Effect on Other Work	Although there is no limit to the amount of full-time CPT, if you do CPT for 12 months or longer you will no longer be eligible for Optional Practical Training (OPT). We normally advise students to stop their participation in full-time CPT after completing 11 months. There is no limit to the amount of part-time CPT a student can participate in (no impact on future OPT).
Approval Process	FOLLOW ALL THE STEPS ON THE APPLICATION SHEET AND BEFORE OBTAINING FINAL AUTHORIZATION, YOU MUST BE REGISTERED IN CLASSES FOR THE CURRENT OR NEXT SEMESTER, INCLUDING SUMMER, THAT YOU WILL BE ENROLLED.
Authorization	Authorization by ISSS is the final step after you submit the completed application to ISSS. If you are eligible, you will be notified to pick up a new I-20 with a notation on p. 2 authorizing your employment. The beginning and ending dates, name and address of the employer, whether you are approved for full-time or part-time employment will all be found on p.2 of the I-20. Do not begin working until the start date shown on your page 2 of the I-20!

This I-20 information, including the employer name, will be in the SEVIS records (see page 31 of the I-9 Employer Handbook for a sample I-20). It may take 5-10 working days to complete the authorization process.
