## University of Houston Graduate College of Social Work STUDENT ACTION PLAN

An Action Plan establishes formal conditions to be met by the student and can include, but is not limited to: reduced course load; resource or support referrals; delayed enrollment in a field practicum course; or leave of absence. An action plan can be initiated by faculty or staff and in response to concern/s regarding a student's professional readiness, professional commitment and ethical conduct, professional behavior, scholastic performance and/or attendance and punctuality.
