Welcome

Whether you are a current or prospective UH Student, Faculty, Staff or simply a visitor to our website, I would like to thank you for taking time to read the University of Houston Department of Public Safety's (UHDPS) 2014 UHS Cinco Ranch Annual Security Report. UHDPS is comprised of several bureaus; the **Police Bureau (UHPD)**, which includes commissioned police officers, non-commissioned security officers and parking enforcement officers; **the Fire Marshal Bureau (FMB)**; **the Environmental Health and Safety Bureau (EHS)** and the **Emergency Management Bureau (EMB)**. The University of Houston Police Department's motto is "Effort and Respect"; and through this theory we strive to promote and preserve a safe campus environment, identify and implement efficiencies, and provide great customer service. This report is prepared in cooperation with the University of Houston Student Affairs Division and the Office of Equal Opportunity Services in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act.

The Campus Fire Safety Right-To-Know Act requires colleges and universities to report specific fire safety information and statistics in residential complexes owned or controlled by the university or college. The University of Houston System at Cinco Ranch does not currently have on-campus student housing and is not required to meet this section of the Higher Education Act (HEA).

For purposes of this report, each entity provides updated information on their educational efforts and programs to comply with the Clery Act. Campus crime, arrest, and referral statistics including those reported to the UHPD as well as to other designated campus safety authorities. This report includes specific crime statistics from the previous three years. This report also includes institutional policies concerning campus security, alcohol and drug use, crime prevention, the reporting of crimes, and other matters. Interested persons may obtain a printed copy of this report by visiting the Security Desk in the lobby of UHS Cinco Ranch or by downloading the report in PDF format at <http://www.uh.edu/cincoranch/pdfs/UHSCR-Annual-Security-Report-2014.pdf>.

In addition to the Annual Security Report, UHPD and UH Systems (UHS) Cinco Ranch maintains a daily log of crimes committed on campus which is available for review on the UHPD website at www.uh.edu/police/dcb.html, or in person at Security Desk at UHS Cinco Ranch.

Ceaser Moore, Jr.
Chief of Police
University of Houston Police Department

Our History and Traditions

The University of Houston's proud heritage of academic excellence dates back to its founding in 1927. Over the years, we grew and prospered, becoming the University of Houston in 1934. Two years later, the institution acquired land for a permanent campus, and its first building opened in 1939. In 1947, the institution launched one of its many rich traditions by adopting the cougar, later named Shasta, as its official mascot. The university became a state institution in 1963 and joined the newly created University of Houston System in 1977.

Today, the University of Houston is a major public research and teaching institution, serving more than 39,800 students annually with 300 undergraduate and graduate programs.

Our Campus

UH System teaching center UHS at Cinco Ranch brings educational opportunities to students in outlying parts of the Houston area and offer credit and continuing education programs to meet almost any need. We have the highest distance education enrollment and the most upper-division resident courses and degree programs in Texas. Also, our instructional television and online programs provide degree opportunities for students at home, at work or in their neighborhoods.

Public Safety Bureaus

No campus is free from crime, whether it is urban, suburban, or rural. All members of the University of Houston Systems at Cinco Ranch community should take reasonable precautions. The University of Houston is committed to working with the community to make our campuses safe and secure environments. The University has developed a series of policies and procedures to assist in these efforts. The following information has been prepared to increase awareness of the current programs that exist to assist students, faculty, and staff in maintaining their safety and well-being. Portions are also provided in compliance with federal law, specifically the Clery Act and the Higher Education Opportunity Act (HEOA). Students, faculty, and staff are encouraged to actively participate in personal safety awareness.

Police Bureau

- **Police:** The UH Police Department (UHPD) is comprised of commissioned police officers who are granted the authority and responsibility to investigate all crimes occurring on the property owned or controlled by the University. As with any University police agency in the State of Texas, our police officers have jurisdiction in any county within the State in which the University has property that is owned, leased, rented, or otherwise under the control of the institution. UHPD officers are fully empowered by the state to stop vehicles, make arrests and enforce all laws. UHPD officers provide the same level of service offered by a municipal police department, as well as other services unique to an academic institution. The department operates 24 hours a day, 365 days a year. The department works closely with administrators, students, faculty and staff to create and maintain a secure environment.

UHPD police and security officers undergo initial and on-going training on subjects such as: criminal law, civil law, public relations, race relations, interpersonal communication, crisis intervention, critical incident response, and all facets of protection of persons and property. Training includes guest lecturers, classroom and online courses, as well as hands on physical training. Training is also conducted during daily roll call sessions. This training usually includes updates on current issues, new court decisions impacting the University environment, and other critical topics. In addition, all UHPD police and security personnel are certified in standard first aid and CPR.

The UHPD officer assigned to UHS Cinco Ranch maintains a close working relationship with other law enforcement agencies such as the Fort Bend County Sheriff's Office, Fort Bend County Constable's Office - Precinct 3, and UHPD at the main campus. The UHPD officer and these other agencies communicate regularly on the scene of incidents that occur in and around the campus area. UHPD Investigators work closely with the investigative staff of these agencies when incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, as deemed necessary.

If any of these other agencies are contacted about criminal activity occurring on campus involving UHS at Cinco Ranch students or students from our partnering colleges and universities, these agencies may notify UHPD. Students in these cases may be subject to arrest by these agencies and still may be subject to university judicial proceedings through the Office of Student Affairs at their respective colleges or universities.

- **Security:** Security officers are hired and trained by UHPD and are assigned to various campuses. Security officers may patrol the campuses on foot, bicycle, golf carts or vehicles and they are easily identifiable by their highly visible bright yellow shirts. The Security Services Division works in conjunction with commissioned police officers to enhance overall safety of the campus.

Fire Marshal Bureau

Fire and Life Safety involves everyone in every area of the university and refers to the prevention of fire, accidents, injury, and property damage. Through inspections, fire safety equipment is checked and maintained; food safety standards are adhered; and safety

concerns such as frayed electrical cords, trip hazards, broken or inappropriate equipment and fire hazards are identified and removed. Through design and plan review, architects and engineers are assisted in ensuring that fire and life safety measures are built into areas under construction. Through emergency management, assistance is available to develop specific evacuation plans. Through training, classes are available for evacuation planning, fire and life safety, fire extinguishers, and food safety.

UHS Cinco Ranch Environmental Health and Safety Bureau

Environmental Health and Safety's efforts are directed at assisting the University in identifying environmental safety hazards and controlling such hazards. Technical areas include radiation safety, chemical safety, biological safety, and occupational safety. Primary activities of the bureau include safety audits of laboratories and other key operational areas, training of faculty, students and staff, approval of operational protocols involving the use of hazardous materials, regulatory data management and reporting, and inspection of safety equipment.

UHS Cinco Ranch Emergency Management Bureau

The Emergency Management Bureau's (EMB) mission is to help the University prepare for, respond to, recover from, and reduce the effects of disasters. That mission is accomplished through preparedness, response, recovery and mitigation. The Emergency Management Bureau oversees several emergency preparedness initiatives at UHS Cinco Ranch including emergency plans and the PIER alert and notification system. The EMB maintains and activates the University's Emergency Operations Center (EOC).

The Emergency Management Bureau in conjunction with the University of Houston Main campus offers training on various topics, and coordinates with external emergency management departments and other local, state and federal agencies. The EMB provides campus wide Ride-Out Team support, UH Community Emergency Response Team (CERT) program support, and coordinate emergency management training through the Federal Emergency Management Agency's (FEMA) free online training site - [training.fema.gov](https://www.fema.gov/training).

Reporting Criminal Activities, Emergencies & Other Incidents

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety-related incidents to UHS at Cinco Ranch and UHPD in a timely manner. Campus security authorities, as defined by the Clery Act, are required to promptly report all crimes affecting the University community to UHPD.

Timely Warnings, Security Alerts, and the Daily Crime Bulletin

In the event of a serious incident that poses an immediate or ongoing threat to members of the UHS Cinco Ranch community reported to UHPD, from a campus security authority or local law enforcement agencies, UHS Cinco Ranch and UHPD will quickly communicate that information in a timely manner. This communication may include methods such as network emails or emergency text messages that can be sent to a phone (individuals can sign up for this service by going into PeopleSoft system).

- UHS at Cinco Ranch and UHPD will provide such reports to students and employees in a manner that is timely, and withholds the names of victims as confidential, in such a way that aid in the prevention of similar occurrences.
- UHS at Cinco Ranch and UHPD will also provide timely reporting of crimes based on the Uniformed Crime Reporting Program (UCR) and the National Incident Based Reporting System (NIBRS) classifications, as required by the Campus Safety Act (Clery), such as: arson, criminal homicide, and robbery. These reports will also be reported in such a way that withholds the names of victims as confidential and aid in the prevention of similar occurrences.
- UHS at Cinco Ranch and UHPD may not provide immediate notifications to students and employees of incidents reported by pastoral or professional counselors, unless it is determined that such incidents poses an immediate health or safety risk to the community; at which time the above mentioned communications measures will be followed.
- Every business day UHS Cinco Ranch and the UHPD publish ***The Daily Crime Bulletin***. This publication is a log of all crime reported to UHPD and typically includes the case number, classification, date reported, date occurred, time occurred, general location, and disposition of each crime. The Daily Crime Bulletin is available for review Monday through Thursday from 8am to 10pm and Friday and Saturday from 8am to 5pm at the UHS at Cinco Ranch Security Services desk. It is also posted daily to the UHPD website at <http://www.uh.edu/police/dcb.html>.

Emergency Response and Evacuation Procedures

The University of Houston Emergency Management Bureau, UHDPS and UHS Cinco Ranch departments are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. UHS Cinco Ranch staff members have received training in Incident Command and Responding to Critical Incidents. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually UHDPS Bureau personnel, UHPD, the Fort Bend County Sheriff's Office, and the Willow Fork Volunteer Fire Department. These agencies typically respond and work together to manage the incident. Depending on the nature of the incident, other UH departments and other local or federal agencies could also be involved in responding to the incident.

In the event of a serious incident that poses an immediate and ongoing threat, the University has various systems in place for communicating information quickly. The methods of communication include network emails and emergency text messages that can be sent to a phone (individuals can sign up for this service by going into PeopleSoft system) that alerts individuals on campus to immediately go to www.uh.edu/emergency to obtain emergency information. One or both of these methods of communication may be activated in the event of an immediate threat to the UH community.

- UHS at Cinco Ranch and UHPD will confirm that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the UHS at Cinco Ranch community.
- UHS at Cinco Ranch, UHPD and the Office of University Communication will determine the appropriate segment of the community if the danger/threat is limited to a particular building or segment of the population to receive notification of the incident.
- UHS at Cinco Ranch, UHPD and the Office of University Communication will communicate the threat to the community or to the appropriate segment of the community if the danger/threat is limited to a particular building or segment of the population.
- UHS at Cinco Ranch, UHPD and the Office of University Communication will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system. If issuing a notification will, in the judgment of the first responders, compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, then notification may be delayed.
- UHPD has vehicles equipped with Public Address Systems that can be strategically placed throughout the campus to facilitate communication of emergency information with the campus community.
- UHS at Cinco Ranch and UHPD will post updates during an emergency on the UH Emergency website. Individuals can also receive recorded updates by calling call 713-743-1000.

All members of the UHS at Cinco Ranch community are encouraged to notify UHPD of any situation or incident on campus that involves a significant emergency, or any dangerous situation that may involve an immediate or ongoing threat to the health and safety of students, faculty, staff and/or visitors to campus. UHPD has the responsibility of responding to, and summoning the necessary resources to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, UHPD has a responsibility to respond to such incidents to determine if the situation does in fact pose a threat to the community. If so, Federal Law requires that the institution notify the campus community or the appropriate segments of the community that may be affected by the situation.

The University of Houston Emergency Management Plan and general information about the emergency response and evacuation procedures for UH can be found at <http://www.uh.edu/emergency-management/planning-and-response/>.

Shelter-in-Place Procedures

What it Means to Shelter-in-Place

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to shelter-in-place means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

Basic Shelter-in-Place Guidance

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, Cougar card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, seek shelter at the nearest safe building quickly. If police or fire department personnel are on the scene, follow their directions.

How You Will Know to Shelter-in-Place

A shelter-in-place notification may come from several sources, including UHPD, other University employees, the federal or state government, Fort Bend County Sheriff's Office, or other authorities utilizing the University's emergency communications tools.

Preparing the Annual Disclosure of Crime Statistics

UHDPS compiles and publishes the UHS Cinco Ranch Annual Security Report on or before October 1. The report can be downloaded at <http://www.uh.edu/cincoranch/pdfs/UHSCRAnnualSecurityReport2014.pdf>. You can also call 832-842-2877 or e-mail crsecurity@uh.edu and request a copy be mailed to you. UHS Cinco Ranch and UHPD gather statistics from all campus security authorities as defined by the Clery Act, the Ft. Bend County Sheriff's Office, and other local law enforcement agencies of jurisdiction on public property adjacent to the UHS Cinco Ranch campus, for inclusion in this report. UHS Cinco Ranch and UHPD cross-reference these incidents with those in its own files to avoid duplication of statistics.

This publication contains information about on and off-campus resources and is made available to all UHS Cinco Ranch community members. This information about "resources" is not provided to infer that those resources are "crime reporting entities" for UHS Cinco Ranch. Crimes should be reported to UHS Cinco Ranch and UHPD to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Incidents reported to UHS Cinco Ranch and UHPD that fall into one of the required reporting classifications will be disclosed as a statistic in this annual report published by UHDPS. For the purpose of making timely warnings to the UHS Cinco Ranch community, reports of crimes and emergencies should be made directly to the UHS Cinco Ranch and UHPD. When the crime or emergency concerns the safety and welfare of the UHS Cinco Ranch community, UHPD issues a Security Alert.

Reporting Crimes or Emergencies

UHS Cinco Ranch and UHPD strongly encourages reporting all crimes on campus to UHPD. There are some very good reasons, in addition to prosecuting criminal activity, to promptly report crime, for example:

- Timely notification about certain types of crime may affect the safety of others. These crimes may include murder, rape, sexual assault, robbery and arson. When UHPD receives reports of these types of crimes, we will notify the community members of possible risks; via email, electronic media or text messaging (while still protecting the victim's identity).
- When you make your report, you assist UHPD in initiating an investigation, which in turn could lead to arrest, which means a possible dangerous offender is removed from campus.

The UHS Cinco Ranch Security Services desk is located in the lobby of 4242 South Mason Rd., Katy, Texas, 77450. The desk is manned Monday through Thursday from 8am to 10pm and Friday and Saturday from 8am to 5pm.

From there, select "Type of Incident" and on the incident form, select your home university. Under the "Additional Location Information" section,

enter Cinco Ranch and then complete the online report. If you prefer using the telephone, you may call the My Safe Campus hotline at 1-800-716-9007 to make your report. Again, you may submit these reports confidentially if you do not want to pursue legal action. If you wish charges to be filed, your complaint will be forwarded to the appropriate police agency.

Facility Access

Non-Residential Buildings

During business hours, UHS Cinco Ranch will be open to students, parents, employees, contractors, guests and the general public with a legitimate reason to be on campus. During non-business hours access to the facility is by key, admittance via UHPD/UHS Cinco Ranch security or an appropriate facility authority. In the case of periods of extended closing, UHS Cinco Ranch will admit only those with prior written approval to all facility.

UHS Cinco Ranch may have individual hours, which may vary at different times of the year. In these cases, the facility will be secured according to schedules developed by the department responsible for the facility. Emergencies may necessitate changes or alterations to any posted schedules.

Areas of the facility that are revealed as problematic will have security surveys conducted. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications.

Security and Facility Maintenance

The Facilities Maintenance department is a support organization dedicated to the educational mission of the UHS Cinco Ranch. This department maintains the building, grounds and utility systems, and provides custodial services for the campus. Students are encouraged to report maintenance problems such as missing lights or plumbing issues to the nearest departmental office and/or Facilities Maintenance (832-842-2950). Departmental staff will forward the reports to the appropriate unit in the Facilities Management Department. If departmental offices are closed, please report any safety issues or emergency conditions to Security at 832-842-2877 (non-emergency information) or 9-1-1 (emergencies only).

Security surveys campus lighting and monitors those areas having defects until the defect is corrected. When maintenance is needed that affects the immediate safety and security of the UHS Cinco Ranch community, personnel will remain on site until the problem is corrected.

Campus Law Enforcement

Enforcement Authority and Jurisdiction

UHPD is the primary police authority for UHS Cinco Ranch. UHPD police officers are certified Texas Peace Officers as defined in article 2.12 of the Texas Code of Criminal Procedure. Pursuant to Section 51.203 of the Texas Education Code, the primary jurisdiction of UHPD officers includes all counties in which property is owned, leased, rented, or otherwise under the control of the University of Houston. Within their primary jurisdiction, UHPD officers:

- are vested with all the powers, privileges, and immunities of peace officers;
- may arrest without warrant any person who violates State law, in accordance with Chapter 14, of the Texas Code of Criminal Procedure;
- may enforce all traffic laws on streets and highways.

Pursuant to Section 51.210 of the Texas Education Code, UHPD officers are also empowered to enforce the rules and regulations of the University of Houston. UHPD is primarily responsible for responding to and investigating crimes on the University of Houston Cinco Ranch campus.

Working Relationships with Other Agencies

UHPD does not have formal written Memorandums of understanding (MOUs) or memorandums of agreement (MOAs) with other law enforcement agencies. We regularly work with the Fort Bend County Sheriff's Office and other area law enforcement agencies on criminal investigations. UHPD often gives and seeks assistance from other federal, state, county, and local law enforcement agencies. UHPD has a close working relationship with these agencies when violations of federal, state, or local laws surfaces. This cooperative team approach addresses situations as they arise as well as future concerns.

Who are Campus Security Authorities?

"Campus Security Authority" is a Clery Act-specific term that encompasses four groups of individuals and organizations associated with an institution:

- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

As a result of the negotiated rulemaking process which followed the signing into law of the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors", when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. The rulemaking committee defines counsellors as:

Pastoral Counselor

An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

Professional Counselor

An employee of an institution, whose official responsibilities include providing psychological counseling to members of the institution's community, and who is functioning within the scope of his or her license or certification.

Crime Prevention Programs

UHPD offers a variety of crime prevention programs to our community members. The following programs are available by request:

- Personal Safety Awareness
- Operation ID
- Residential and Office Security
- Sexual Assault Awareness
- Motor Vehicle Theft Prevention
- New Student and Employee Police Service Orientation
- Community Dialogue
- Failure to Safeguard Program
- Bike Registration
- Rape Aggression Defense (RAD)
- Alcohol Awareness
- Drug Awareness

Crime prevention sessions are periodically made available throughout the year to campus groups. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. Crime prevention is important to the campus community and you can help by reporting any crime or suspected crime to the University Police immediately. By doing so, you may be preventing someone else from becoming a victim of a more serious crime.

UHS Cinco Ranch Police or Security Officers will give demonstrations and presentations to interested campus groups. Groups can call 832-842-2877 or e-mail us at crsecurity@uh.edu for more information. Additional crime prevention information and descriptions of the crime prevention programs are available on the UHPD website at: http://www.uh.edu/police/crime_prevention.html.

Education of Members of the University Community

Members of UHS Cinco Ranch and UHPD conduct crime prevention and general security and safety awareness presentations when requested by campus community groups, including students and employees of the University. These presentations typically provide: crime prevention tips, statistics on crime at UHS Cinco Ranch, information regarding campus security procedures and practices, and encouragement for participants to be responsible for their own security/safety and for the security/safety for others.

In addition, UHS Cinco Ranch and UHPD may set up crime prevention and education display tables which are staffed by a police/security officer(s) at various locations throughout the year. This activity provides an opportunity for UHS Cinco Ranch and UHPD staff to hand out information, as well as to answer individual questions.

Employee and Student Assistance Programs

- **Information and Referral**

Students may seek drug and alcohol abuse related counseling and rehabilitation program referrals, which are routinely made through mutual help organizations, private hospitals, public treatment programs, and private drug treatment practitioners.

- **Employee Assistance**

Faculty and Staff seeking assistance may be able to do so one of two ways; either through their own individual medical insurance or through the UH CAPS services. The employee may seek other options at their own financial expense. Employees may also be able to obtain more information from the Employee Retirement System of Texas (ERS) at <http://www.ers.state.tx.us/home.aspx>.

- **Student Counseling Services**

UH Main Campus students can seek counseling services through the University of Houston's Counseling and Psychological Services (CAPS) at 713-743-5454 or by email at www.uh.edu/caps. A complete list of services available can be obtained on the website or from program personnel.

Responsibilities of the University Community

Members of the University community must assume responsibility for their own personal safety and the security of their personal property. The following precautions provide guidance.

1. Report all suspicious activity on campus to Security Services immediately.

Campus Crime Statistics

The information below provides context for the crime statistics reported as part of compliance with the Clery Act.

The procedures for preparing the annual disclosure of crime statistics include reporting statistics to the University community obtained from the following sources: Fort Bend County Sheriff's Office, Fort Bend County Constable Office Precinct 3, and non-police officials of the locations listed below. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported.

Statistics are gathered, compiled, and reported to the University community via this publication, which is published by UHS Cinco Ranch and UHPD. UHDPD also submits the annual crime statistics published in this report to the Department of Education (ED). The statistical information gathered by the Department of Education is available to the public through the ED website: <http://www2.ed.gov/admins/lead/safety/campus.html>. The statistics in this publication are published in accordance with the standards and guidelines used by the FBI Uniform Crime Reporting (UCR) and the FBI National Incident Base Reporting (NIBR) Handbook and the relevant federal law.

The number of incidents is indicated in the statistics column for the following crime classifications: Murder/Non-Negligent Manslaughter, Negligent Manslaughter, Forcible and Non-Forcible Sex Offenses, and Aggravated Assault. For example, if an aggravated assault occurs and there are three victims, this would be counted as three aggravated assaults in the crime statistics chart. The number reflected in the statistics for the following crime categories includes one offense per distinct operation: Robbery, Burglary, Motor Vehicle Theft, and Arson. For example, if five students are walking across campus together and they are robbed, this would count as one instance of robbery in the crime statistics chart. In cases of Motor Vehicle Theft, each vehicle stolen is counted as one statistic. In cases involving Liquor Law, Drug Law, and Illegal Weapons violations, each person who was arrested is indicated in the arrest statistics. The statistics captured under the "Referred for Disciplinary Action" section for Liquor Law, Drug Law, and Illegal Weapons violations indicates the number of people referred to the Office of Student Affairs for disciplinary action.

The “On Campus” category includes all on-campus incidents. The Public Property category are those offenses handled by UHS Cinco Ranch and UHPD, while the Other (Law Enforcement Agencies) Public Property Offenses and Arrests are those incidents reported to UHS Cinco Ranch and UHPD by other agencies, and may or may not be directly related to the campus.

The definition of hate crime is a crime in which the victim is intentionally selected because of the actual or perceived race, gender, religion, disability, sexual orientation, gender identity or ethnicity/National Origin of the victim that are reported to campus security authorities or local police agencies.

University Policies

OFF-Campus Crimes

UHPD does not provide law enforcement service to off-campus residences of recognized fraternity and sorority organizations. UHPD also does not provide law enforcement services for off-campus activities recognized by university authority. All off-campus criminal activity response falls under local law enforcement jurisdiction.

Alcohol Policy

As an institution interested in the intellectual, physical and psychological well-being of the campus community, UHS Cinco Ranch deems it important to curtail the abusive or illegal use of alcoholic beverages. All members of the UHS Cinco Ranch community and guests are required to comply with federal, state and local laws regarding the distribution, possession

and consumption of alcoholic beverages. (See the UH Student Handbook for a summary of federal, state, and local laws regarding alcohol usage) at http://www.uh.edu/dos/studenthandbook/universitypolicy/sp_alcoholpolicy.html.

The possession, sale, or the furnishing of alcohol on the UHS Cinco Ranch campus is governed by University of Houston Alcohol Policy and Texas state law. Laws regarding the possession, sale, consumption, or furnishing of alcohol are outlined in the Texas Alcoholic Beverage Code. The enforcement of alcohol laws on-campus is the responsibility of UHS Cinco Ranch and UHPD. Only under certain circumstances is the consumption of alcohol permitted. Such laws are strictly enforced by UHS Cinco Ranch and UHPD. Violators are subject to University disciplinary action, criminal prosecution, fines, and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age is illegal in most circumstances.

It is University policy that the possession, consumption, and/or distribution of any alcoholic or intoxicating beverage in an open receptacle or a container which has been opened are prohibited in any public area of the University of Houston campus except at:

1. Events for students (including events planned by staff or faculty for students and events sponsored by students or student organizations) authorized by the Dean of Students Office in accordance with the Alcohol Distribution Policy as stated in the UH Student Handbook.
2. Faculty/staff events authorized by the president, vice presidents, associate or assistant vice presidents, deans, or academic department chairs.

The term “public area” is defined as campus parking lots, campus grounds or any outside enclosed area or portion thereof, to which the public is invited or given general unrestricted access, as well as the inside classrooms, lobbies, lounges, corridors and restrooms of the campus buildings.

An individual or group that sponsors an event at which alcoholic beverages are made available is responsible for adherence to the applicable laws and applicable university policies. (See UH student, faculty and staff handbooks). Individuals, organizations or groups violating alcohol/substance policies or laws may be subject to sanctions by the University.

Drug-Free Workplace

It is the policy of the University that illicit use of drugs, including their manufacture, sale, distribution or possession is prohibited in the workplace, on the UHS Cinco Ranch campus, or as part of any university activities (See UH Student Handbook and UH Staff Handbook). Sanctions imposed for violation of this policy are indicated below.

Application of Policy

The Drug and Alcohol Abuse Prevention Policy is supported by a drug-free awareness and alcohol education program available to university faculty, staff and students. Specific compliance and reporting items (below) are applicable to all persons employed on federal contracts and grants. The policy is accessible at http://www.uh.edu/dos/studenthandbook/relatedpolicy/rp_drugprevention.html.

In support of this policy, the University of Houston System and UHS Cinco Ranch:

1. Has established a drug free and alcohol abuse awareness program to inform its faculty, staff, and students about the dangers of drug and alcohol abuse in the workplace. The University's policy also addresses maintaining a drug and alcohol free workplace, and available drug and alcohol counseling, rehabilitation, and employee assistance programs. The policy also addresses the penalties that may be imposed upon employees for drug and alcohol abuse violations.
2. Will provide each student and employee a copy of this policy. In addition, all faculty, staff, and students will be notified of this policy through appropriate publications.
3. Will notify each university employee and each student that, as a condition of employment on a federal grant or contract, the person, once so employed, must abide by the terms of the policy, and must notify his/her supervisor and the Department of Human Resources of any criminal drug statute conviction for a violation occurring in the workplace not later than five days after such conviction.
4. Will notify the appropriate federal agency within 10 days after receiving notice of criminal drug statute conviction of any university employee engaged in performance of the grant or contract.
5. Will impose sanctions on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program, by any employee so convicted. Sanctions imposed on employees for violation of this policy may include suspension, suspension without pay, and termination.
6. Will make a good faith effort to continue to maintain an environment that complies with the Drug Free Workplace Act of 1988 and the Drug-free Schools and Communities Act of 1989.
7. Will conduct a biennial review of its programs to assess their effectiveness, what changes need to be made, and to ensure the uniform application of sanctions to employees and students.

Implementation

Implementation of this policy is a joint responsibility of the Department of Human Resources, the Office of Sponsored Programs, UHS Cinco Ranch, UHPD, the Office of Financial Aid and the Division of Student Affairs. Notification of the program, including information about health risks and sanctions for violation of the policy, will be provided annually to students and employees. In addition, the University is committed to monitoring and assessing the effectiveness of this program. A biennial review of the program will be undertaken to (1) determine its effectiveness and implement changes to the program if they are needed and (2) ensure that its disciplinary standards are consistently enforced (UH Student Handbook 2012-2013, page 81.)

Penalties for Violation of the Policy

The University policy prohibits the unlawful possession, use or distribution of illicit drugs and alcohol on the campus and at off-campus University sponsored events. Therefore, any employee admitting to or convicted of the unlawful possession, use, or distribution of illicit drugs and alcohol on the campus or at UHS Cinco Ranch sponsored off-campus events will be subject to disciplinary action (up to and including suspension, suspension without pay, and termination), may be referred for prosecution, may be required to satisfactorily participate in a drug and alcohol assistance or rehabilitation program, as agreed upon between the employee, the Department of Human Resources, and Counseling and Psychological Services. Any student admitting to or proven to have violated the University of Houston's Student Disciplinary Policies and Procedures regarding the unlawful possession, use or distribution of illicit drugs and alcohol on campus or at UHS Cinco Ranch sponsored events (see UH Student Handbook, Student Disciplinary Policies and Procedures) will be subject to disciplinary action up to and including probation, suspension, and expulsion, may be referred for criminal prosecution, and may be requested to satisfactorily participate in a drug and alcohol assistance or rehabilitation program.

Further information concerning employees is available from the Department of Human Resources at 713-743-3988. For more information on the range of sanctions for students, refer to Section 11 of the student handbook which can be found on the Dean of Students website at http://www.uh.edu/dos/studenthandbook/universitypolicy/sp_codeofconduct.html.

Firearms and Weapons Policies

UHS Cinco Ranch is committed to maintaining a safe and secure environment that supports the academic mission of the University. According to the University of Houston System and UHS Cinco Ranch Violence on Campus Policy and Texas Penal Code, members of the UHS Cinco Ranch community, including faculty, staff, and students, as well as visitors to any of the UH campuses, are prohibited from possessing firearms, explosives, weapons, or any item that may be construed as such, on the premises (as defined by Texas Penal Code 46.035) of the University or in any building under University control, whether or not a federal or state

license to possess the same has been issued to the possessor. There are some limited exceptions to this policy; for example certified and licensed law enforcement personnel who are authorized to carry a firearm are permitted to do so on UHS Cinco Ranch property. UHS Cinco Ranch and UHPD does not tolerate the use of firearms or weapons on University owned, controlled, or leased properties. UHPD has and will continue to investigate any threat to the safety of the UHS Cinco Ranch in order to protect all members of the University community and their guests. Additionally, anyone found violating the University's policies or state law shall be subject to the disciplinary policies and procedures applicable to students, faculty, or staff and/or criminal prosecution by the appropriate jurisdiction.

Sex Offender Registration

In accordance with the “Campus Sex Crimes Prevention Act” of 2000, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, UHPD has provided a direct link to the Texas Department of Public Safety Sex Offender Database that may be accessed at <https://records.txdps.state.tx.us/SexOffender/>. Students, staff, faculty and contract workers on the University of Houston campus who are registered as sexual offenders are required to report to and register with UHPD. The Family Educational Rights and Privacy Act of 1974 (FERPA) clarifies that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

Disciplinary Proceedings

“The institution will, upon written request, disclose to the alleged victim of any crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense with respect to such crime or offense. If the alleged victim of such crime or offense is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.” (SAM 01.D.08)

Procedures for campus disciplinary action:

- Accuser/accused must have **same opportunities** to have others present (such as advisors, lawyers, and witnesses)
- Victim must be unconditionally informed of outcome of disciplinary proceedings
- Provide a comprehensive list of sanctions that may be imposed upon final determination

Domestic Violence, Dating Violence, Sexual Assault and Stalking

Section 13925(a) of Title 42, gives the following definitions as it relates to dating violence, domestic (family) violence, sexual assault, stalking and consent.

Dating Violence: The term “dating violence” means violence committed by a person—(A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship, (ii) The type of relationship, (iii) The frequency of interaction between the persons involved in the relationship.

Domestic (Family) Violence: For purposes of this Policy, domestic (family) violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Texas, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the State of Texas.

Sexual Assault: For purposes of this Policy, sexual assault is any form of **non-consensual** sexual activity. Sexual assault represents a continuum of conduct from forcible rape to non-physical forms of pressure that compel individuals to engage in sexual activity against their will. The definition of sexual assault in Texas can be found at <http://www.statutes.legis.state.tx.us/Docs/PE/htm/PE.22.htm#22.011>.

Examples of sexual assault under this Policy include, but are not limited to, the following non-consensual sexual activity:

- a) Sexual intercourse (vaginal or anal);
- b) Oral sex;
- c) Rape or attempted rape;
- d) Penetration of an orifice (anal, vaginal, oral) with the penis, finger or other object;
- e) Unwanted touching of a sexual nature;
- f) Use of coercion, manipulation or force to make someone else engage in sexual touching, including breasts, chest and buttocks;
- g) Engaging in sexual activity with a person who is unable to provide consent; or
- h) Knowingly transmitting a sexually-transmitted disease to another.

Stalking: The term “stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to; (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

Consent: For purposes of this Policy, consent is an informed and freely and affirmatively communicated willingness to participate in a particular sexual activity. Consent can be expressed either by words or by clear and unambiguous actions, as long as those words or actions create mutually understandable permission regarding the conditions of each instance of sexual activity. It is the responsibility of the person who wants to engage in the sexual activity to ensure that s/he has the consent of the other to engage in each instance of sexual activity. (The definition of without consent for the crime of sexual assault in Texas can be found at <http://www.statutes.legis.state.tx.us/Docs/PE/htm/PE.22.htm#22.011>. Section 22.011 b)

Consent is active, not passive, and cannot be inferred from the absence of a “no.” Therefore, silence or lack of protest or resistance, without actions demonstrating permission, cannot be assumed to show consent. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and gauging the receipt of consent, and individuals are thus urged to seek consent in verbal form for each instance of sexual activity. The existence of a dating relationship or a previous sexual relationship between the persons involved does not provide the basis for an assumption of consent to future sexual activity.

Consent must be present throughout the sexual activity, and consent to some form of sexual activity cannot be automatically taken as consent to any other sexual activity. Importantly, at any time, a participant can communicate that s/he no longer consents to continuing the sexual activity. If there is confusion as to whether an individual has consented or continues to consent to sexual activity, it is essential that the participants stop the sexual activity until the confusion is clearly resolved.

In determining whether a person gave consent, various factors are relevant. However, there is no consent when physical force or violence is used or threatened, where a person is unconscious or otherwise unable to resist, where the person is unaware that a sexual assault is occurring, or where the person does not have the legal capacity to consent. Further, a person may be unable to consent when the person is mentally or physically incapacitated due to the influence of drugs, alcohol, or medication and as a result is rendered temporarily incapable of understanding, appraising or controlling his or her conduct. A person’s incapacity to understand, appraise or control her or his conduct may be analyzed based on surrounding

factors including, but not limited to, hallucinations, seizures, vomiting, slurred speech, disorientation, incoordination and other relevant factors.

These acts must be committed either by force, threat, intimidation, or through the use of the victim's mental or physical helplessness of which the accused was aware or should have been aware.

BYSTANDER INTERVENTION

One of the most effective methods of preventing sexual assault is bystander intervention. Some people might be concerned that they are being encouraged to place themselves in jeopardy to stop crimes in progress. This is not the case. There are many situations that occur prior to Sexual Misconduct that are appropriate for intervention. Bystander intervention encourages people to watch for those behaviors and situations that appear to be inappropriate, coercive and harassing.

WAYS TO INTERVENE

- Making up an excuse to get a person out of a potentially dangerous situation;
- Letting an individual know that his/her actions may lead to serious consequences;
- Not leaving a person's side who may be in trouble despite the efforts of someone else to get him/her alone or away from you;
- Using a group of friends to remind someone behaving inappropriately that his/her behavior should be respectful;
- Taking steps to curb someone's use of alcohol before problems occur;
- Calling the authorities when the situation warrants.

RISK REDUCTION STRATEGIES

Acts of Sexual Misconduct not only devastate their victims, but also the campus communities where they occur. For these reasons, the University of Houston System shall engage in risk reduction strategies emphasizing the collective responsibility of the campus community to reduce the risk of Sexual Misconduct throughout the system. As a part of that effort, every new student and employee shall attend a prevention and education program about Sexual Misconduct. The program will incorporate risk reduction strategies and include bystander intervention training which enables community members to take a role in preventing and interrupting incidents of Sexual Misconduct. The program will also provide resources, including information regarding this sexual misconduct policy.

Common sense, situational awareness and trusting your instincts will reduce your risk of being subjected to sexual misconduct.

Risk reduction strategies include, but are not limited to, the following:

- A. If you consume alcohol, do so in moderation;
- B. Do not leave your beverage unattended or accept a drink from an open container;

- C. When you are with someone, communicate clearly to ensure he or she knows your limits from the beginning (both verbal and nonverbal (body language) communication can be used to ensure the message is understood);
- D. If you go on a date with someone you do not know very well, tell a close friend what your plans are;
- E. You have the right to say "No" even if you first say "Yes" and then change your mind, have had sex with this partner before, have been kissing or "making out" or are wearing what is perceived to be "provocative" clothing;
- F. Always have extra money to get home and have a plan for someone you can call if you need help;
- G. if you feel uncomfortable, scared or pressured, act quickly to end the situation by saying "Stop it" and leave or call for help;
- H. when you go to a party, go with a group of friends, arrive together, watch out for each other and leave together;
- I. be aware of your surroundings at all times;
- J. do not allow yourself to be isolated with a person you do not know or trust;
- K. travel with a friend or in a group;
- L. walk only in lighted areas after dark;
- M. keep the doors to homes and cars locked;
- N. know where a phone is located.

REPORTING INCIDENTS OF SEXUAL MISCONDUCT

FORMAL REPORTING

1. Although a victim of Sexual Misconduct may decline to report the incident, the University supports, encourages and will assist anyone who believes they have been the victim of Sexual Misconduct to report the incident to the reporting source of their choice, which can include, but is not limited to, any entity or individual listed in Section 2.5 above and/or in subsections A through E of this Section 10. Prompt reporting may preserve options that delayed reporting does not, including the preservation of physical evidence (which may be necessary to the proof of Sexual Misconduct or in obtaining an order of protection), the support of crisis counseling, and immediate police response. Regardless, whenever a student, faculty, staff or visitor alerts the University that she or he has been the victim of Sexual Misconduct, she or he will be provided a copy of or link to this Policy, which fully explains her or his rights and options.
2. Formal reporting as described in this section cannot provide complete anonymity, but the only persons who will be provided information relating to the report are those persons that need to know, unless additional disclosure is required by law. The University will make all reasonable efforts to maintain the confidentiality and privacy of parties involved in Sexual Misconduct investigations. Breaches of confidentiality or privacy committed by anyone involved in any investigation of alleged Sexual Misconduct, including the complainant, the accused, witnesses or the investigators, may be considered a separate violation of this Policy and may result in disciplinary sanctions.

3. When an incident of Sexual Misconduct is formally reported, the University will consider interim accommodations to protect the alleged victim while the incident is investigated and adjudicated through this Policy. The Title IX Coordinator and other appropriate University administrators will work together to identify alternative arrangements that will preserve the rights of both the alleged victim and the accused, as well as provide a safe overall educational or working environment until (and perhaps after) the report is investigated and any appropriate action is taken. A lawfully issued no contact, restraining order, or order of protection, will be adhered to by the University to the fullest extent permitted by law and while still maintaining a safe and non-discriminatory environment at the University. Interim accommodations may include changing academic, living, transportation or working situations. Failure to adhere to the parameters of any interim accommodation may be considered a separate violation of this Policy and may result in disciplinary sanctions. In addition, the University will honor any order of protection, no contact order, restraining order or similar lawful order issued by any criminal, civil or tribal court.

As mentioned above, an individual may report an incident of Sexual Misconduct by various means, including reporting to appropriate local law enforcement agencies. Any University person receiving a report of Sexual Misconduct must promptly contact the Title IX Coordinator to discuss the report. In addition, there are specific University offices and individuals prepared to respond to incidents of Sexual Misconduct:

- A. **University Police.** Reporting to the police helps protect others from potential victimization; assists in apprehending the alleged assailant, maintains options regarding criminal prosecution; and aids university disciplinary action and/or civil action against the alleged wrongdoer. Reporting also allows the police to make a determination of issuing a crime alert if necessary, to protect the campus community, as well as having the incident recorded for the purpose of reporting statistics. When a victim reports an incident, a police officer will take a statement from the victim regarding what happened. A victim may request that his or her identity be kept confidential. A victim may also request to have a support person with him or her during the interview. Remember, reporting an incident is separate from choosing to prosecute. When a police report is filed, the victim is not obligated to continue with criminal proceedings or University disciplinary action and can choose whether or not to participate during any point of the proceedings.

This process does not preclude a victim from reporting a dating violence, domestic (family) violence, sexual assault or stalking incident to another agency within the jurisdiction of the incident. If the victim wishes to file the report with the local police department, UHPD will assist in directing them to the appropriate agency.

A victim of Sexual Misconduct can make a report to their component institution's Police Department as noted below:

B. Title IX Coordinator. Any incident of Sexual Misconduct can be brought to the attention of the Title IX Coordinator (See Section 2.5 of the sexual misconduct policy for the contact information for each Title IX Coordinator). The Title IX Coordinator will promptly inform the University of Houston System's Office of Equal Opportunity Services (EOS) and EOS will begin its review process in consultation with the Title IX Coordinator. Although the University strongly encourages reporting Sexual Misconduct to the police, a victim may request administrative action by EOS with or without the filing of a police report. The administrative review process for Sexual Misconduct complaints utilizes a team approach, with EOS serving as fact finder/investigator and the appropriate University administrator consulting on and implementing the proposed sanctions, if any. ANONYMOUS AND CONFIDENTIAL REPORTING

When considering reporting options, victims should be aware that certain University personnel can maintain strict confidentiality, while others have mandatory reporting and response obligations. University personnel who receive a report of Sexual Misconduct may be required to share the information with appropriate administrative authorities for investigation and follow up. The University will protect the confidentiality of an alleged victim by refusing to disclose the alleged victim's information to anyone outside the University to the maximum extent permitted

by law. As for confidentiality of information within the University, the University must balance a victim's request for confidentiality with its responsibility to provide a safe and non-discriminatory environment for the University community. Where the University cannot take disciplinary action against an alleged discriminator or harasser because of a complainant's insistence of confidentiality, the University will pursue other steps to limit the effects of the alleged Sexual Misconduct and attempt to prevent its recurrence.

- Each component institution has on-campus personnel who can maintain strict confidentiality. Campus crisis counselors can assist in a crisis situation and provide information about options including medical assistance, psychological counseling, victim advocacy resources, legal resources, University disciplinary action, and criminal prosecution. The crisis counselors can provide safe and confidential support, explain common reactions to crises, and discuss coping methods that may assist immediately following the assault and later. Talking about concerns may help the victim sort through feelings and decide what to do. Victims need not reveal their names if calling for information. Crisis counselors will not reveal the victim's identity to anyone without the victim's permission except under very limited exceptions (e.g., if an immediate threat to the victim or others is present, or if the victim is a minor). To obtain contact information for victim advocacy groups as well as counseling, health, mental health, legal assistance, and other services available to victims, please contact the appropriate Title IX Coordinator listed in Section 2.5.
- In addition, a victim (or any individual who has information about an incident of alleged Sexual Misconduct) may submit a report through a secure web-based reporting system called MySafeCampus, which allows the option of anonymity. The web address for MySafeCampus is <http://www.mysafecampus.com>. However, the reporter should know that, during the course of an investigation, his or her identity may be discovered. If that occurs, the reporter will receive the same confidentiality safeguards offered to those who make a formal report under this Policy.

A student or an employee who reports to the University of Houston or UHPD that the student or employee has been a victim of domestic violence, dating violence, sexual assault, or stalking, whether the offense occurred on or off campus, shall be provided with a written explanation of the student or employee's rights and options. Victims of dating violence, domestic (family) violence, sexual assault or stalking may request assistance in, changing academic, living, transportation, and working situations, if such accommodations are reasonably available regardless of whether the victim chooses to report the crime to UHPD or local law enforcement.

Guidelines for assistance if you are a victim of dating violence, domestic (family) violence, sexual assault or stalking:

- Get to a safe place as soon as you can.
- It is important that you try to preserve all physical evidence. Do not shower or bathe, use the toilet, or change clothing (in the instance of sexual assault) if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.
- Get medical attention as soon as possible if needed, to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action.

- Contact UHPD (follow procedures outlined in this report).
- Talk with an advocate or a counselor who will maintain confidentiality, help explain your options, give you information, and provide emotional support.
- Contact someone you trust to be with you and support you.

ADMINISTRATIVE PROCESS AND SANCTIONS

- If the victim wishes to pursue a Sexual Misconduct complaint, s/he will be asked to complete a Formal Complaint Questionnaire with their Title IX Coordinator, who will forward the Complaint Questionnaire to EOS. The University does not limit the timeframe for filing a complaint of Sexual Misconduct. Complaints can be submitted at any time following an incident, although the University's ability to take any action may be limited because of the passage of time. Once a complaint is filed, if the Complainant decides that s/he wants to withdraw the complaint, the University's investigation may still proceed.
- Although interim accommodations may have already been considered and made, EOS will consider interim accommodations at this step to protect the Complainant while the incident is investigated and adjudicated through this Policy. EOS and other appropriate University administrators will work together to identify alternative arrangements that will preserve the rights of both the complainant and the accused, as well as provide a safe overall educational or working environment until (and perhaps after) the complaint is investigated and adjudicated. Interim accommodations may include changing academic, living, transportation or working situations. Failure to adhere to the parameters of any interim measure may be considered a separate violation of this Policy and may result in disciplinary sanctions.
- EOS will begin an investigation upon its receipt of a complaint or other notice of alleged Sexual Misconduct. EOS will attempt to interview the Complainant, the Respondent and any witnesses, as appropriate. EOS will also gather and review any information it deems pertinent, as well as any information submitted by the Complainant, the Respondent and/or any witnesses. The EOS investigators will receive training at least annually on the issues related to Sexual Misconduct, and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
- Within five business days after receiving a complaint, EOS will contact the Respondent to obtain the Respondent's response. The response is due to EOS within 10 business days from the Respondent's receipt of the Complaint. The response should address and respond to the specific allegations made in the Complaint and can include any other rebuttal information. Failure to respond may be considered a separate violation of this Policy and may result in disciplinary action.
- EOS will issue a finding as soon as practicable and make every effort to issue its finding within 60 business days from its receipt of the complaint. The finding will be determined by a preponderance of the evidence; that is, whether it is more likely than not that the Respondent violated this Policy. If EOS determines that this Policy was violated, EOS will recommend appropriate university action in an effort to eliminate Sexual Misconduct from happening, prevent its recurrence, and address its effects. Even if EOS determines

that this Policy was not violated, EOS may recommend that the Respondent undertake educational initiatives and/or trainings. EOS will simultaneously notify the Complainant and the Respondent in writing of the outcome of its finding and any appeal rights under this Policy, to the extent permissible by law. EOS will notify the appropriate university administrator of any recommended university action.

- If EOS finds a violation of this Policy against a faculty member, EOS will recommend appropriate university action, and any sanction imposed on the faculty member will be determined by and implemented by the appropriate administrator after consultation with EOS and consistent with the component institution's faculty handbook/manual.
- If EOS finds a violation of this Policy against a non-faculty university employee, EOS will recommend appropriate university action, and any sanction imposed on the employee will be determined by and implemented by the appropriate administrator after consultation with EOS and consistent with the component institution's policies and procedures related to employee discipline.
- If EOS finds a violation of this Policy against a student, EOS will recommend appropriate university action, and any sanction imposed on the student will be determined by and imposed by the Dean of Student's Office or its equivalent after consultation with EOS and consistent with the component institution's policies and procedures related to student conduct/discipline.
- The sanctions for committing an act of Sexual Misconduct will be commensurate to the offense and may include but is not limited to the following:
 - Verbal counseling
 - Written reprimand
 - Educational programs such as state-certified batterer's intervention
 - Temporary or permanent ban from residence hall communities
 - Ban from participating in campus organizations
 - Ban from campus (institution and/or UH System)
 - Permanent no contact order
 - Disqualification from student employment positions
 - Withholding of transcripts, grades, diploma, or degree
 - Partial or full criminal trespass
 - Involuntary transfer or relocation
 - Demotion
 - Probation (including disciplinary probation)
 - Suspension of employment with or without pay
 - Suspension (academic)
 - Revocation of admission and/or degree
 - Dismissal of tenure for adequate cause
 - Ineligible for rehire or admission
 - Termination of employment
 - Expulsion (from institution and/or UH System)
- If the Complainant or the Respondent is dissatisfied with EOS' finding, the party can appeal to the component institution's appellate board ("Board"). Members of the Board will receive training at least annually on the issues related to Sexual Misconduct, and

how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

- An appeal must be filed with the Title IX Coordinator within 10 business days of receiving EOS' finding. Absent extenuating circumstances, the Title IX Coordinator will schedule a hearing to be held within 30 business days from the filing of the appeal. Written requests for rescheduling the hearing will be considered by the Board's chairperson in consultation with the Title IX Coordinator. No later than five business days prior to the hearing, all materials that will be used at the hearing must be submitted to the Title IX Coordinator, who will forward the materials to the Board's chairperson and will simultaneously provide the materials to the other party. The materials must include the names of any witnesses intended to be called during the hearing (along with a brief summary concerning the subject matter of the witness' expected testimony), and the name of any advisor to be in attendance at the hearing (and whether that advisor is an attorney). No witness, document/tangible evidence, or advisor will be permitted at the hearing unless such information was timely submitted. Appeals/Grievances relating to sanctions assessed by the appropriate administrators are not considered under this Policy. Therefore, if the Complainant or the Respondent is dissatisfied with any sanction determined by the appropriate administrator under Sections 11.6.1 through 11.6.3 above, he/she may appeal the sanction as follows: any challenge to the sanction against a faculty member must be addressed through the component institution's faculty handbook/manual; any challenge to the sanction against an employee must be addressed through the component institution's policies and procedures related to employee grievances; any challenge to the sanction against a student must be addressed through the appeal process in the component institution's student code of conduct or its equivalent.
- If the Panel upholds EOS' finding, the appellant may appeal the Panel's decision to the appropriate administrator. Conversely, if the Panel rejects EOS' finding, the appellee and/or EOS may appeal the Panel's decision to the appropriate administrator. Any appeal must be filed in writing within 10 business days of the Panel's decision. The administrator will render a decision within 10 business days from the date that the appeal is filed.

PREVENTION PROGRAMS

The University aims to eradicate Sexual Misconduct through education, training, clear policies, and serious consequences for violations of those policies. The University will conduct educational programs, including ongoing prevention and awareness campaigns, designed to promote awareness and prevent Sexual Misconduct. This Sexual Misconduct Policy defines and describes prohibited sexual conduct and establishes a procedural mechanism for processing complaints of Sexual Misconduct. (To find the procedural recourse for responding to unlawful discrimination and harassment incidents that do not constitute Sexual Misconduct, please see the University's Discrimination and Harassment Policy, SAM 01.D.07 at <http://www.uh.edu/af/universityservices/policies/sam/1GenAdmin/1D7.pdf>.) Some programs that have been conducted through the university are as follows:

- RAD (Rape Aggression and Defense) by UHPD.
- Sexual Assault Awareness by UHPD.

- Psychotherapy for individuals who have been sexually assaulted is provided by CAPS.
- “The Clothesline Project” educating about domestic violence, is provided by The Wellness Center.
- Outreach programs such as “Vagina Monologues”, “Coogs Get Consent” and “Consent is Sexy,” educating students on the meaning and standards of consent is provided by CAPS.
- Other educational programs on the meaning and standards of consent, aimed specifically at educating male students, are provided by the Women’s Resource Center.

These and other university departments will be offering additional future programs, aimed at the prevention of sexual misconduct, in the coming years. Notifications and advertisements of the availability of such programs may be relayed to students and staff through such avenues as the Daily Cougar, social media, and individual departments’ websites.
