RE: Proposal to add omitted approved electives to Communication Concentrations

Background:
A recent review of our Communication Catalog information by our advisors reveals that our internship course (COMM 4392) or our Selected Topics in Communication course (COMM 4397) or our Independent Study course (COMM 4398) were missing from the list of approved electives in some of our concentrations. The omission is creating the need for students to submit petitions and we would like to correct that.

Action:
1. Add COMM 4392, 4397, 4398 to the Health Communication concentration as approved electives.
2. Add COMM 4398 to the Media Production concentration as an approved elective.
3. Add COMM 4392, 4397, 4398 to the subplan in Integrated Communication as approved electives.

Thank you.

If approved, catalog language would change as follows:
